THEME- "The family and school builds for tomorrow."

Principal L. D. Wood

principal

You have been hearing in social studies class about the "Big Four-" a political big four. But man is a religious, thinking and social animal as well. As such he has created for himself the state, the school, the church and the family-truly the Big Four.

Our society is the superstructure fashioned from the heavy timbers of the church, school and state, which in turn rest on the family as a foundation. If today, there is a lessening of respect for law in the state, a lowering of spiritual tone in the church, and a let down in character training in school, the cause will be found in family life. For the family is the foundation, and the heavy timbers of our national society-the state, church and school-must have a strong foundation or the superstructure will crumble.

class history

As our high school career comes to an end, and we are about to step out into the world, facing new and greater responsibilities, we look back and realize the wonderful times we have had in our school years.

As Freshmen, we elected our leaders, Donald Lawrence, President; Ronald Richley, Vice-President; Barbara Krebs, Secretary; and Ronald Cole, Treasurer.

The only activity of the year was our Freshman-Sophomore Round and Square Dance. A profit of \$60.00 was realized.

In our Sophomore year, we were joined by students from East Pembroke. Harvey Stalker was President; James Richley, Vice-President; Marcia Kohorst, Secretary; and Louis Benson, Treasurer.

The only activity again was the Freshman-Sophomore Round and Square Dance from which we made a profit of \$70.00.

Our Junior year began with the election of Harvey Stalker, President; Jo Ann Berg, Vice-President; June Wittman, Secretary; and Donald Lawrence, Treasurer.

That year our activities included a Junior Round and Square Dance which added \$130.50 to our treasury.

In the spring, accompanied by the Seniors, we had a Junior-Senior Ball. The theme was "Moonlight and Roses," and the music was furnished by Carl Dengler and his band.

Seniors at last! The time for which we had been waiting had finally arrived. The year commenced by electing Ronald Richley, President; Harvey Stalker, Vice-President; Marcia Kohorst, Secretary; and June Wittman, Treasurer.

Our first task as Seniors was the magazine campaign. Carl Hunt was the campaign manager with Ellen Klotzbach and Richard Beebe as team captains. We topped our quota, and set a new record, \$3,200.00. Then came the selection of our Senior rings.

In September, we held a Senior Round and Square Dance with music by Ken's Western Ramblers. The profit from the dance was \$110.00.

The Senior Class presented a play entitled, "Me and My Shadow" under the direction of Mr. Carmody, our class advisor. The play was very successful, and added \$150.00 to our treasury.

With spring on its way, we are looking forward to the Junior-Senior Ball. The theme will be "Club 57," and music will be furnished by Carl Dengler and his band.

We are making plans for our Class Day exercises which will be held in June. Following the exercises, the class will go on a picnic to Long Point on Conesus Lake.

As we, the Class of 1957 leave Corfu High, and go our separate ways, we would like to wish the Class of 1958, the best of luck and success in its Senior year.

home makers

The Future Homemakers commenced an active year by inviting mothers to the initiation ceremony early in September. Two other events of 1956-57 were the traditional Sadie Hawkins Dance and the Christmas dinner. Collaboration with the Future Farmers Organization resulted in a most successful ice skating party. The F.H.A. attended an informative Sweetheart Clinic at Alexander on February 14th. An enjoyable Mother-Daughter Banquet was held in the spring. A committee has been set up to see of what help we can be to the school and community in the future.

Our choir this year consisted of fifty-five voices. During the Christmas season we gave an assembly program for Pavilion High School which was well received. The girls' group, the "Harmonettes," sang several selections, and the boys' ensemble, the "Harmonizers," also contributed. These two ensembles combined to present "'Twas the Night Before Christmas." We presented the program to our own student body and also to the public on December 17, 1956.

The second half of the year's activities included our participation in the Genesee County Music Festival at Batavia High School; our own Spring vocal concert in May; and an assembly program for our student body in April. Both the "Harmonettes" and "Harmonizers" sang for PTA programs, the County speaking contest, as well as for Commencement.

Thirteen members of the choir were selected to sing in the Genesee County Massed Choir for the Spring Festival.

The Corfu Athletic Association of 1956-57 commenced the year by electing the following girls to office:

Pres. - Jo Ann Berg
V. Pres. - Rita Stone
Sec. - Treas. - Judy Schlagenhauf

In order to raise money for our treasury and toward the Tri-County Scholarship fund this organization co-sponsored a dance, and sold beanies and pocketbooks.

This past summer fifteen Corfu High girls were sent to Hockey Camp at Batavia. Our honor hockey team participated in play-days and games with other schools in the area. The highlight of the season was a hard fought 0-2 loss to an outstanding Batavia High School team. Our intramural teams played games with Akron and Batavia tying both games.

Friday during eighth periods we participated in inter-class activities which proved very enjoyable.

coaches

Coach Mantor, with the able assistance of Coach Storey (line) and Coach Bow (ends) moulded an aggregation that defeated Barker (12-0), and Elba (6-0); lost close contests to Lyndonville (12-14), and Alexander (0-6); and was the only team in the G-0 league to at least tie the powerful Championship Pavilion team. This final game of the season was a scoreless thriller played under the lights of Batavia's MacArthur Stadium.

Seven Seniors will not be answering the call for candidates in 1957 and will be missed: Captain Jim Richley (back); Bill Lang and Joe Sliker (ends); Russ Anderson and Carl Hunt (guards); Dan Schmid (tackle); and George Brown (center).

There is a fine nucleus of football material in most positions for the coming season and a number of promising younger players who are likely to develop rapidly and see plenty of service.
